## The Words That Touched His Heart.

These men determined to rob a certain house. So on the night decided on the gathering. In front of the building, one of them entered and started up the stairs. He had his hands on the wall near the landing, his boots made a noise on the stairs, and a voice came out of the darkness of the room—

"You got right downstairs and take these hands off. I'm tired of having you run up and down with your boots on my heels right down and take them off."

The burglar turned around, went down the steps and outside to his companions, and said:

"Bug, I couldn't rob that house; it was too much like home."

## MARRIED HIS STEPMOTHER.

Young Georgian Weds His Father's Divorced Wife.

A marriage with unusual and embarrassing complications recently took place at Tilton, Ga.

The union of L. L. McAllister, says a special from that place, they were both married and took a train for their home at Fitzgerald, where they immediately separated on being told that their marriage was illegal.

Mr. McAllister is almost 22 years old and the bride 27. She was the groom's stepmother, being his father's fifth wife. She has two interesting children, who are now her husband's half brother and half sister.

In early girlhood Mrs. McAllister married the father of her present husband, a man then advanced in years. They came to Georgia with the Fitzgerald colony, and two years ago she obtained a divorce from her aged husband, the court giving her the care of their two young children.

Some time after the divorce L. L. McAllister came to Fitzgerald and there met the young woman, who was an expert photographer, at which profession she earned her living. A feeling of mutual esteem sprang up between the young man and woman, and they became business partners. Esteem ripened into love.

FOR WORTHY CAUSE

And Packed House Should be the Result.

Interest in the Old Time Fiddlers' contest to be given at the Tabernacle Friday night, May 16, is increasing with each day and the entertainment promises to be a huge affair. Contestants for the valuable prizes are getting in readiness and many of the best performers known in this part of the State will compete.

The Hopkinsville orchestra has kindly consented to aid in the entertainment and will render several selections during the evening.

The proceeds, after the expenses of the contest are paid, will go towards reducing the tabernacle debt, as previously stated, and this alone should guarantee a packed house.

LOWRY-EVANS.

Popular Pembroke People United in Marriage This Week.

L. N. Lowry, Jr., and Miss Alice D. Evans were married at the residence of Mr. W. J. Massie, in Pembroke, Wednesday evening at 7 o'clock, Elder J. M. Gordou officiating. Shortly after the ceremony Mr. and Mrs. Lowry, with a large party of invited guests, repaired to the home of the groom's parents, where a reception was given.

The groom, who is in the employ of the Cumberland Telephone Company as lineman, is one of Pembroke's most popular young men.

The bride has been a resident of Pembroke only a few months, but has made a host of friends by her lovable disposition and charming manner. Her former home was Arkansas. She attended school here several years.

MUSEUM FREAK

Will be Seen at The Street Fair This Month.

The freak calf mentioned in the last issue of the Kentuckian will be on exhibition at the street fair, Mr. R. S. Gary, who reported it, has sold it to Dr. C. E. Roussey and Mr. Uphaw Buckner, who have it at Cooper's stable, raising it on milk. It has no eyeballs and where the caudal appendage should be there is only a tuft of hair. It is healthy and vigorous and though blind smells its way about seeking the milk on which it is fed.

### STRANGE SUBSTANCE

Fell From the Heavens and is Used For Fences.

Some time ago the inhabitants residing near Danville thought the entire heavens were falling. Mystery still surrounds the wonderful occurrence. About 9 o'clock at night a fiery mass descended from space and struck the ground on the farm of John Dressler. Investigation proved that the substance resembled burnt rock.

A dozen wagon loads of the stuff has been hauled away and an inexhaustible supply appears to be buried for many feet in the earth. It is being used to make fences.

The only reasonable theory that has been offered so far is that the mass came from a huge meteor.

Whoooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: "Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops—JESSIE PERRY (L.A.T.), Springville, Ala. This Remedy is for sale by all druggists."

CLOSES MONDAY.

Queen of the Carnival Contest Nearing an End.

Miss Elizabeth Morris still leads Miss Annie May Reynolds in the contest for Queen of the Carnival, by about 300 votes. The contest will close Monday at 9 a. m.

The Most Common Ailment.

More people suffer from rheumatism than from any other ailment. This is wholly unnecessary too, for a cure may be effected at a very small cost. G. W. Westcott, of Meadowdale, N. Y., says: "I have been afflicted with rheumatism for some time and it has caused me much suffering. I concluded to try Chamberlain's Pain Balm and am pleased to say that it has cured me." For sale by all druggists.

Threatened Ralse Averted.

## Tired Out

"I was very poorly and could hardly get out of the house. I was tired all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well."—Mrs. N. S. Swiney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He will tell you it is the best blood purifier. Follow his advice and you will be cured.

J. C. Ayer & Co., Lowell, Mass.

## POULTRY PAPERS

### Limited in Report of The Farmers' Institute.

Mention of the excellent papers on poultry, read at the recent Farmers Institute, was inadvertently left out of the Secretary's report published by the KENTUCKIAN, in putting the report in type.

Mrs. J. W. Linder and Mrs. C. S. Coleman each read papers on Poultry that were considered among the very best heard in the Institute. These with other articles read will be published by the KENTUCKIAN in supplement form in a week or so.

### Wont Follow Advice After Paying For It.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one remedy left, merely the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach and Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by all druggists.

### To Attend Convention.

Mrs. T. A. Smithson, Mrs. Harriet A. Rogers and Mrs. W. A. Long will go to Bowling Green tomorrow as representatives of the Cumberland Presbyterian church, to attend the Women's Missionary Convention which meets Sunday in that place. The convention will be in session four days.

### No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning.—H. R. PHELPS, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by all druggists.

### Wedding Postponed.

The marriage of Prof. W. L. Davis, of Cadiz, and Miss Francis Broadbent, of Wallonia, scheduled for last Wednesday evening has been postponed on account of the illness of Miss Broadbent.

The most vigorous workers have spells of "tired feeling" now and then. This feeling is caused by derangement in the stomach, liver and bowels. A few doses of Prickly Ash Bitters quickly correct the disorder and send the blood tingling through the veins, carrying life and energy throughout the system. R. C. Hardwick, Special Agent.

### ONE BRUTAL CASE

Private Evans, of Kansas, Tells of the Water Cure.

Washington, May 6.—In the examination before the Senate Committee on Philippines yesterday Daniel J. Evans, of Kansas, late private of Company E, Twelfth Infantry; testified to having witnessed one brutal case of water cure in Northern Luzon.

Two native scouts and a private of his company, a big, wiry man, participated in the operation. The private who he believed, was Frank Koehler, of Cincinnati, recently discharged, struck the Filipino under torture in the stomach with his fist some forty times. He knew five villages having been burned.

## DATES FOR EXAMINATIONS.

Full List of Those For Teachers and Graduates.

The examination for graduation in the common schools of the county will be held at the office of the County Superintendent on Friday and Saturday, May 9 and 10, 1902. This will take the place of the examination that has heretofore been held on the last Thursday in June. This change in time was made by the Legislature at its recent session. Applicants for a Diploma will please note the change.

Examinations will be held by the County Board of Examiners as follows:

**For County Teachers' Certificate:**  
WHITE. COLORED.  
May 16 and 17. May 23 and 24.  
June 20 and 21. June 27 and 28.  
July 18 and 19. July 25 and 26.  
Aug. 15 and 16. Aug. 22 and 23.

### For State Certificate:

WHITE AND COLORED.  
June 15 and 16.  
August 15 and 16.

All examinations for white applicants will be held at the Clay Street School building and for colored applicants at the school building on Second street.

The competitive examination of applicants for appointment to the State College at Lexington will be held on Friday, July 18, 1902.

In a pamphlet sent out by State Supt. McChesney, a synopsis of school laws passed by the recent General Assembly, he says: "Senate bill 42, the Dye bill, makes teachers of schools and colleges that are preparing persons for examination for certificate ineligible to hold the position of examiner on the county board. The amendment to the old law as to the appointment of examiners reads as follows: 'No person shall be eligible as examiner on said county board who is at the time, or for six months previous thereto has been, conducting or teaching in any school, college or university where teachers or those preparing to teach are making preparation to be examined for certificate to teach in the common schools of the State.' This can not affect the legality of the appointment of examiners made prior to the time the law became effective. It became a law March 28, 1902, ten days after the adjournment of the General Assembly, without the signature of the Governor. The bill carried an emergency clause."

The Board of Examiners for Christian County will consist of Prot. A. C. Kuykendall and Supt. L. McCartney who were re-appointed and qualified in January.

KATIE McDANIEL, County Supt. School.

### BRET HARTE DEAD.

Famous American author Brethes His Last in London.

London, May 6.—Bret Harte, the noted American author, died here this morning. He had been in ill health for some time, but his death was unexpected.

Francis Bret Harte was born in Albany, N. Y. August 25, 1839. In 1858 he went to California, and was successively miner, printer, school teacher, express messenger and editor of a newspaper. In 1864 he was appointed Secretary of the U. S. mint at San Francisco, holding the office until 1870. He contributed many poems and sketches to periodicals and in 1868 became editor of the Overland Monthly. In 1869 the world famous humorous poem "The Heathen Chinee," appeared and with its publication he became a recognized author.

In 1871 he went to the Eastern States and took up his residence first in New York and subsequently in Boston. He was appointed U. S. Consul at Crefeld in 1878, from which post he was transferred to Glasgow in March 1880. He remained there until 1885, when he took up his residence in London where he has since lived.

## WILD WEST SHOW.

Bucksin Bill, Famous Scout, Will Visit Hopkinsville.

Bucksin Bill's Wild West Show will be in Hopkinsville May 14. There are over 100 men in the company from all parts of the world. Among them are some of the most celebrated marksmen and horsemen in the United States and Europe. Thirty-six Indians of the Sioux tribe, and several Mexicans are with the company. The Indians are from different districts.

The coming of this show will doubtless be received with pleasure. The reproduction of the scenes of the pioneer days, which add glamour to the American history, cannot fail to thrill, and Bucksin Bill will doubtless be given a warm welcome in his appearance.

Bucksin Bill, whose real name is W. F. Braddon, is a typical man of the West, and it is claimed outranks the best of them in handling the revolver. He was connected with the United States army for years and had some thrilling experiences in Wyoming, and stands at the top among the living scouts. For years he was the most noted Indian fighter in his State.

### Keep the Balance Up.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, and keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength, and endurance.

## ILLNESS WILL PREVENT

"I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. Why not use this liniment and get well? It is for sale by all druggists."

## YANKEE METHODS.

How a Cuban has been benefited by following them.

In the winter of 1900, after the departure of 100 Spaniards, a Cuban planter named Gonzalez, found himself possessing his family scattered, his plantation despoiled, and his home a desolate ruin. He had been one of the victims of the war, leaving only the waste ground behind, but that with his family to escape the further rage of the Spaniards.

Happy even to have life as his sole heritage, the old father, Gonzalez, set about rebuilding his fortunes. He managed to borrow \$300 from a friend in Havana. He bought a pair of heavy boots, a few tools, a horse, and some tobacco plants. He made his way through a wilderness to his former home. There was nothing but a growth of weeds and heaps of fallen stones and charred timbers for a welcome, but with energy born of necessity, he began his herculean task. He cleared up part of the ground and planted it. While he was giving nature (which is kind in Cuba), time to rest, he fell some large palm trees, meantime sleeping in the open air by night. After while he built of the palm tree trunks a storehouse for his tobacco. He used in part of this house, when he dried the tobacco leaves, and kept them for market. At old ruins, he did more clearing and more planting. In all this he was absolutely alone and unaided. He had not money, a place for his family, his old life had died or was a part of the ruins of his plantation, and there was no one to help to build, even if he could have paid for it. So he tried to do it himself. In this connection, as many could be well called, he was a pioneer in the country. The result of his hard work was to-day in the form of a plantation, in the improvement of which he has spent \$6,000. He has a fine house, a fine school, a fine church, and a fine family. He has a fine family, a fine school, a fine church, and a fine family. He has a fine family, a fine school, a fine church, and a fine family.

He is jet black, with just a little white on each hind heel; is 16 hands high, a model in form and style. As to style, action and grace in motion, he possesses as much as any combined horse living. He can trot in 2:55 or better and goes all the saddle gait with ease.
